Missions Spotlight

Drivers for Homeless Ministry
 We still need drivers to help pick up homeless adults from Our Calling on frigid evenings and deliver them to shelters where there are available beds for the night. If you are between 25 and 70 years old, with a good driving record, and interested in volunteering for this life-saving ministry, please contact Marsha (marsha@cliff temple.org or 214-942-6407) as soon as possible. Another way you can help our homeless neighbors is by keeping with you a few booklets of homeless services. We will have these booklets available at the end of the service today for you to give to homeless people you may meet on the street.
